Dear Parents,

We are delighted to share the achievements of our students in interschool events this week. It has been inspiring to see our students applying their learning to real-world settings both in the classroom and at other events. Our Islamic and Arabic students achieved great success by winning prestigious awards at the Interschool Arabic and Islamic Competition held at Deira Private School on 15th May. Additionally, our Gifted and Talented students took part in the Interschool Inclusion Fest at the same school and secured 3rd position.

We want to inform you that the GL PT Series Assessments and NGRT are still ongoing till June 2024. We thank you for your support in recognizing the importance of these assessments in preparing our students for their next phase of education.

Please be informed that the End of Year internal Summative Assessments will take place for Primary and Secondary students in June 2024. Primary will commence from 10th to 14th June and Secondary will run from 3rd to 14th June.
