Date: June 29, 2024

Dear Parents,

As we near the end of the school year, we hope that our families are looking forward to a well-deserved break from the regular academic routine. With the temperatures rising, we assure you that we are closely following the school's Hot Weather Policy to ensure the Health and Safety of all students and staff.

This week, our primary students showcased their talents in various areas. The event highlighted arts in education and left everyone anticipating next year's showcase. Our Year 12 students are in their final week, where they will have a preview of some aspects of the Year 13 curriculum.

The Parents' Voice meeting was held on 26th June. We aim to host more engaging parent events in the upcoming year.

Important announcement, our new admissions have surpassed our expectations, leading to a limited number of vacant seats. Parents who have not yet completed the re-registration process for the academic year 2024-25 are urged to promptly visit the accounts and admissions departments to avoid any potential inconveniences in the future.

We also would like to notify you that student report cards will be accessible for viewing via Eduration on July 5, 2024, from 1:00 p.m. Kindly mark your calendar for this date to check your child's academic progress, performance, and advancement to the next grade.

Please ensure your children attend school until July 5, 2024. It is mandatory for students to be present daily, following the KHDA-approved school calendar. Parents play a crucial role in ensuring their children attend school punctually and regularly. Thank you for your continued partnership.
