Dear Parents,

Welcome to Summer Break, we made it!

As our students have just left the school for their well-deserved summer break, we are writing to express our gratitude to all our families for your support throughout this academic year. Your role as parents and guardians, along with your involvement, encouragement, and partnership, has been instrumental in providing enriching experiences for our students.

Right from academic and co-scholastic achievements to field trips and school events, we celebrated many accomplishments of our students together. Witnessing our students grow and learn under the guidance of our dedicated teachers and staff has been a source of joy and pride. Your commitment to their education and well-being is appreciated. This week, it was fulfilling to see our students participating in a variety of events from FS through Secondary. As they consolidate their learning experiences, they also cherish the memories of a successful academic year.

As we transition into the summer months, we encourage you to continue fostering a love of new learning through reading, exploring nature, engaging in creative projects, and mastering your favourite sport/ game, there are numerous opportunities to keep the spirit of curiosity and discovery alive.

Take this time to relax, rejuvenate, and create lasting memories with your family. We eagerly look forward to welcoming our students back on campus on Monday, August 26, 2024, the beginning of the new Academic Year 2024-25.

Thank you once again for your support and partnership. We wish you a joyful and safe summer break!
