MOBILE PHONE POLICY

Mobile phones have become a part of today's lifestyle and almost all students possess them. However, in order to ensure the safety and security and zero disruption to the learning environment **students are not allowed to bring mobile phones to school. Only in case of emergency situations**, if parents feel the need to permit their children to bring mobile phones to school, the following rules apply:

1. An email must be sent by the parents to the relevant Year Leader and/or Form Tutor with clearly stated reason for sending mobile phone to school.
2. The student must give it to the Year Leader in the morning and collect it at the dispersal time only.
3. The school accepts no responsibility for mobile phones and undertakes no responsibility to investigate misplacement, loss or theft.
4. Under no circumstances should a student be found using the phone in the school campus. If a phone rings, or is seen by a member of staff, or if inappropriate use is made of the phone, it will be confiscated, and action will be taken as per the sanctions below.
5. If a student is found misusing mobile phone on the school bus or in the own transport waiting area, it will immediately be confiscated by the present staff member.

Sanctions:

- If a student is found using the mobile phone during school hours by a member of staff, the member of staff will confiscate it immediately. The member of staff will bring it to the HOS/YLS where it will be stored in a locked safe place. They will clearly state in the logbook the name of the student the phone has been taken from and the circumstances which led to the confiscation.
- On the first occasion on which the student's phone is confiscated within a year, they will be able to collect it from the office of the Head of School or Year Leader at the end of the day.
- On the second occasion within a year on which their phone is confiscated, their parent/guardian will be contacted and asked to collect the phone in person.
- On the third occasion within a term the phone will be confiscated, parents informed, and the phone returned to the student at the end of term in the presence of the parent.
- Any student who refuses to hand over a mobile phone when requested to do so by staff will be reported to the HOS/YL and the refusal will be liable to disciplinary action.
