Dear Parents,

As we conclude another bustling week at our school, we are excited to share the experiences and achievements of our students.

The past week was filled with enriching external experiences for our senior secondary students, including our Educational Visits and the Career Fair.

A highlight of the week was our Founders Day celebration, which also included the academic achievement awards for the academic year 2023-24 and the Student Investiture, held on Thursday, October 3rd. We are grateful to all our stakeholders for their support, which is essential for helping our students thrive in their academic and leadership journeys.

We are delighted to announce that our students participated in the MUBARMIJ 50 Competition in Abu Dhabi, where they won significant awards last Sunday, September 30th! Their innovative projects demonstrated excellent critical thinking and problem-solving skills. We take pride in their creativity and efforts, and we especially appreciate the involvement of their parents.

Today, our students took the time to honour and celebrate our dedicated teachers in recognition of World Teachers Day.

Wellbeing Parent Survey

As part of our ongoing efforts to promote the wellbeing of our students, we kindly request your participation in our Wellbeing Survey. Your feedback is essential in helping us. We highly value your insights and encourage you to take a few moments to complete the survey at the link below:

Thank you for your ongoing support and commitment.

Year 7 – 13: Invitation to participate in KHDA's Academic and Career Guidance Surveys

The Knowledge and Human Development Authority (KHDA) is conducting a study to better understand current practices and perspectives surrounding academic and career guidance in schools. Your feedback is important in helping them assess the level of parental engagement and satisfaction with the guidance provided to your child. The deadline to participate in on Monday, 14th October 2024.
