Date: October 11, 2024

Dear Parents,

This week has been particularly thrilling, highlighted by the Career Fair and Primary Science Week!

The Career Fair showcased 45 regional universities, offering essential information to our senior students as they prepare for their next educational endeavours.

During Science Week, our Primary students took charge of their scientific inquiry and research, effectively utilizing cross-curricular connections. It was truly inspiring to witness their curiosity and the confidence with which they presented their investigative skills and findings. We are deeply grateful for the partnership and support from parents, which significantly contributed to the successful conclusion of Science Week.

Please note that the school will be closed for a half-term break from October 14th to 18th, 2024. Regular classes will resume on Monday, October 21st, 2024.

Note:

The CIE exams for the October/November series will proceed as planned.

Reminder: Year 7 – 13 KHDA Parent Survey

The Knowledge and Human Development Authority (KHDA) is conducting a study to better understand current practices and perspectives surrounding academic and career guidance in schools. Your feedback is important in helping them assess the level of parental engagement and satisfaction with the guidance provided to your child. The deadline to participate is on **Monday, 14th October 2024**.
