Date: November 1, 2024

Dear Parents,

As we step into a promising new month, we are thrilled to share a range of academic and co-curricular activities planned for our students to showcase their holistic skills and talents!

Last week's **Lesson Visits** highlighted the progressive learning environment we foster, where our students engage in meaningful dialogues with both adults and peers. It was inspiring to witness their real-life learning experiences! We strongly encourage your involvement in the upcoming events, particularly the **Topic Theme Days** for our primary school. Your participation will not only enrich the experience for our students but also demonstrate the wonderful support of our school community.

The **Dubai Fitness Challenge (DFC)** embodies a significant initiative that promotes physical and mental well-being through active participation in fitness activities. Our Physical Education department is committed to challenging our community to embrace this opportunity. We encourage our families to engage in various fitness challenges together, encouraging our children to adopt a healthy lifestyle. Let us unite to prioritise fitness and well-being for all!

We would like to remind our parents to maintain open communication with their child/ren's teachers, especially the class teachers/ learning managers, who are your first point of contact for any concerns. They are more than happy to elevate issues to executive leaders if necessary. Rest assured, our school policies include robust systems for monitoring, supporting, and recording any concerns or incidents, and we commit to keeping you informed as needed.

Today, AUS proudly observed **UAE Flag Day**, a national occasion that honors the efforts of the founders of the UAE, Sheikh Zayed, Sheikh Rashid, and their brothers, who sacrificed everything for their nation.

Our senior commerce team demonstrated remarkable leadership by facilitating an innovative program, **EcoBiz Symposium 2024**, led by our talented sixth form students. It was a remarkable showcase of creativity and commitment!

As a component of our safety protocols, the school is scheduled to conduct an evacuation drill next week. This aims to enhance our preparedness and awareness among all stakeholders.
