Date: November 15, 2024

Dear Parents,

We have experienced yet another fruitful week at our school, with our students showcasing their futuristic learning skills through both academic and extracurricular activities. It's genuinely inspiring to witness their growth and enthusiasm!

This week's highlights feature our senior boys achieving victory at the Skyline Football and Basketball Tournaments. Additionally, our Sixth Form scientists made an impressive showing at the Biogenesis Engineering competition held at Amity University in Dubai, where they demonstrated their innovative ideas and creativity.

Our ECA club provides a platform for students to delve into activities that explore their interests outside the classroom. It also includes tailored subject interventions designed to support their academic journey.

Our school is dedicated to the holistic development of all stakeholders and actively participates in Dubai Fitness Challenge initiatives, which promote physical and mental wellness in our community. Our teachers and students inject fun and excitement into our routines through assemblies, activities, and PE lessons!

As winter assessments draw near, we kindly ask all families to maintain communication with the relevant class teachers. If your child needs any personalized support in any subject, please don't hesitate to reach out. We're here to assist! The end-of-term assessments for Primary students will be from November 25 to 29, 2024. For Secondary students, it will commence on November 18, 2024, following the national holiday on December 2 – 3, assessments will resume on December 4 and continue until December 10, 2024. For Sixth Form students, it will run from November 25 to December 11, with national holiday in between. Students are encouraged to prepare for their exams in advance.

As the UAE advances toward becoming one of the most transformative nations in line with Vision 2031, our educators remain committed to continuous improvement. We value your ongoing support in our students' journey to AUS. We warmly invite you to participate in all our community events, as your involvement greatly enhances our students' experiences and fosters engagement. Together, let's inspire and support our students, acting as their critical friends.
