Dear Parents,

This week has been notably eventful for our school community, as both teachers and students engaged in winter assessments alongside a variety of activities and events. It was a delight to see our students effectively applying their skills while transitioning seamlessly between curricular and co-curricular pursuits.

On Thursday, November 28th, our community joyfully celebrated Eid Al Etihad, marking the 53rd UAE National Day, with a range of activities that highlighted our students' respect for the nation and appreciation for UAE heritage and Emirati culture. We extend our heartfelt gratitude to our dedicated Emirati and Arabic team for organizing this vibrant event, and to all our wonderful parents for their enthusiastic participation. Your involvement is invaluable, and we encourage you to continue this support for our upcoming events.

We are extremely delighted to announce that our student, **Hafsa Muhammad Khalid**, has been presented the esteemed Outstanding Cambridge Learner Award, for being the **Top in United Arab Emirates, Information Technology**.

We appreciate the attendance of our parents at the informative Parenting Webinar conducted today by our Governor, Ms. Amna Al Mutawa.

Please be informed that the school will be closed in observance of Eid Al Etihad on December 2nd and 3rd, with classes resuming on Wednesday, December 4th. All winter assessments will proceed as scheduled.
