Date: January 3, 2025

Dear Parents,

On behalf of the AUS Community, I am delighted to warmly welcome you as we enter the New Year 2025 and kick off Term 2, beginning this Monday, January 6<sup>th</sup>, 2025. We hope you enjoyed a refreshing winter break and found a healthy balance among your personal, professional, and family commitments.

As we begin this term, we are eager to build a fruitful partnership with you to help our children reach their fullest potential. We recognise that a child's success in school relies on support from both home and school, and we believe that a strong collaboration will greatly enhance your child's educational experience. Together, we share the responsibility for our children's achievements, and we want to assure you of our commitment to fulfilling our roles to the best of our abilities.

This term, we will focus on promoting high-quality learning through dedication and hard work, in line with our mission, vision, and core values. We have implemented more engaging and organised teaching methods to ensure we deliver "Quality First Teaching," which encourages deep learning across all subjects. Key initiatives include the Literacy Lighthouse project, which is interdisciplinary and helps develop exceptional reading and writing skills, and extracurricular activities aimed at addressing learning gaps in core subjects, along with a more cohesive approach to curriculum planning and enhanced observation and assessment practices in the Early Years.

We appreciate your support and look forward to seeing you at the upcoming Parents' Orientation and Parent-Teacher Meetings scheduled for later this month.

Should you wish to discuss any issues or challenges regarding your child, please feel free to contact us or schedule a meeting with the school leaders or teachers. We are here to support you and your child every step of the way.
