Dear Parents,

We've reached the end of another successful week!

Our students have been fully engaged in rich learning experiences this week. The pleasant weather has allowed for enjoyable outdoor lessons and other events, making learning even more dynamic and fun.

This week's sports days and field trips have contributed to a holistic educational experience, and we are proud to see our FS students continue to display their well-rounded learning. Let's keep the spirit of parental engagement alive as we motivate our students and support our FS community.

We encourage you to maintain open communication with your child's subject or phase leaders and teachers. Should you have any academic concerns, please feel free to reach out to them. For parents of senior students participating in CIE and involved in booster lessons and other interventions, staying connected with their teachers for timely feedback is advisable; we hope for their full attendance.

Today marked the opening of AUS MUN 2025, our third annual Model United Nations conference, which will continue for the next two days in the Taher Hall. This year's theme is "Security," addressing critical global challenges that resonate with our core values.

### **Family Spring Fest 2025**

We are thrilled to remind you of our upcoming AUS Spring Fest on February 8th, which emphasizes community engagement. This stakeholder event aims to strengthen our partnerships as part of the "Year of Community" in the UAE while fostering innovation, entrepreneurial skills, and volunteer service. We genuinely look forward to the support of all our parents to ensure this event's success. Our leaders have already communicated this, and you can find the details below.
