Dear Parents,

We are happy to reflect on yet another eventful week that culminated in the exciting Sports Day for our FS students. The journey they have embarked upon is inspiring! A big thank you to our FS team and all the parents who helped make this event a remarkable celebration of our children's well-rounded growth.

This week marked the successful conclusion of a charity drive organised by our Wellbeing team, led by Ms. Pooja and our Year 13 student leader Ms. Nashwa. Their collaboration with North American International School resulted in 12 boxes of clothes, books and toys donated to the Red Crescent. Ms. Nashwa's dedication and leadership played a vital role, and we are proud of her and her team's commitment to community service demonstrating true compassion and generosity.

Our sixth-form students have benefitted from career guidance sessions provided by Turkish universities, helping them explore diverse pathways that align with their aspirations. Additionally, our secondary Design & Technology girls won the Sustainability Quest run by Canadian University Dubai, and our senior students received recognition for their participation in the Math competition at Emirates Aviation University.

As we continue with our Curricular Tests, we appreciate your ongoing support and coordination. Please remember that regular attendance is crucial, especially since there is a need for improved attendance in sixth form, as it enhances their practical skills and assessment techniques. Adhering to our Tardiness Policy is essential for a smooth transition to the CIE examinations, making individualised support from subject teachers vital during this important time.

We also want to thank the parents who attended the Curricular Pathways sessions for Year 8 and Year 11 this week. Our team leaders will be reaching out to you with further information shortly.
