Dear Parents,

As we complete our mid-term for Term 2, we would like to take a moment to express our gratitude for your partnership. Your involvement has been instrumental in fostering a conducive learning environment for our students.

Over the past few weeks, our students have diligently completed their curricular tests, participated in research-based learning and engaged in various activities designed to challenge and support them according to their individual needs. Their growth and achievements truly warm our hearts. We culminated the week with a beautiful and meaningful display of students' talents organised by our Primary team, marking the respect towards Islamic values and Emirati culture as a part of preparedness in instilling values towards the Holy month of Ramadan.

Today, we joyfully celebrated "Emirati Day for Education" which is officially recognised each year on February 28<sup>th</sup> by His Highness Sheikh Mohammed bin Zayed Al Nahyan, President of the UAE. We invite you to visit our social media accounts for a glimpse of our community accomplishments so far, which fill us with immense pride.

### Remote Learning on Fridays During Ramadan

To ensure we accommodate all families and provide the necessary support, we kindly ask you to complete this survey link via Eduration. Your feedback will help us make the necessary arrangements for your child's learning experience. Kindly submit the same on or before Monday, 3<sup>rd</sup> March 2025.
